

## Decision Making Grid

Name: \_\_\_\_\_ Class: \_\_\_\_\_ Date: \_\_\_\_\_

- ✓ What is the problem?
- ✓ What are the alternatives?
- ✓ What are the criteria?
- ✓ Rank the criteria.
- ✓ Evaluate the alternatives.
- ✓ Make a decision.

<b>What is the problem?</b>	You have a limited amount of space left on the shuttle. List the items you want to bring. Some choices have greater payoffs than others. Be able to defend your answers.
