

Name _____ Date _____

Choice Handout

Remember the steps:

1. State your problem
2. List your alternatives
3. Think about and define your criteria (what is important to you.)
4. Evaluate your alternatives to the criteria (+ or -). Also, is there one which should be more important?
5. Now make your decision.

State Your Problem:

Criteria:				
Alternatives:				
1.				
2.				
3.				
4.				

What items did you 'give up'? _____

These were your opportunity costs, the alternatives you gave up.
