Overview

ReadyAssessments is a free assessment tool where you can easily access ready-made K-12 tests and quizzes on EconEdLink.org.

The screenshot displays the 'ReadyAssessments' interface. On the left is a navigation sidebar with options: Dashboard, Learning Content, Assessment (selected), Create Questions, Create Assessments, Manage Class Assessments, Assessment Level Report, View Student Report, Roster, Archived user, Settings, and Group. The main area is titled 'Create Assessments' and includes a search bar, a 'Published' tab (active), and a 'Drafts' tab. Below the tabs is a grid of assessment cards. The first card is a 'New Standard Test' with a green plus icon. The other cards are titled with activity names and dates: 'Activity: A Primer on Marginal Analysis' (27-Oct-2021), 'Activity: A Review of Supply and Demand' (25-May-2022), 'Activity: Adopt-a-Highway Matching' (25-Oct-2021), 'Activity: Allocation, Competition, and Productivity Matching' (25-Oct-2021), 'Activity: Analyzing CPI' (23-Nov-2021), 'Activity: Analyzing U.S. Import Data' (23-Nov-2021), 'Activity: Applying Discounting and Present Bias to Decision Making' (23-Nov-2021), 'Activity: Balancing Fairness with Self-Interest' (23-Nov-2021), and 'Activity: Business Cycle Exit Ticket' (27-Oct-2021). Each card has a menu icon in the bottom right corner.
