

Blind Fold Activity Questions:

Blind Folded Student: Was it difficult to volunteer for something when you did not know the purpose or outcome?

Explain how you felt.

Student Audience: When observing the various students wearing the blindfolds, how did they differ in how they moved to pursue the extra credit points?

What were the *risks* taken by the blindfolded students?

What happened to the blindfolded students when they were given an *incentive*?

Did some students behave more aggressively than others pursuing the incentives?

What was the result of this behavior?"
