### Activity 1

1. What does the “hard evidence” show about increased integration of society through trade, migration, foreign investment, and communication?

---

---

2. What three areas can developing countries increase through integration into the world economy?

---

---

3. What behavior “widens the gap between the haves and the have nots?”

---

---

---

4. What must rich countries be prepared to do in order for “developing country exports to flourish?”

---

---

5. Based on the video clip information, which definition best fits the context of this story?

---

---

---

Name: \_\_\_\_\_

Date: \_\_\_\_\_

**Activity 2**

[Three Waves of Globalization](#)

1. How does the co-author, Paul Collier, measure globalization?

---

---

2. What do the red line, the blue line, and the blue columns represent?

---

---

3. What caused the decline in globalization in between Wave 1 and Wave 2?

---

---

4. What wave is the world currently experiencing?

---

---

5. What is the engine of globalization in Wave 3?

---

---

6. Who is responsible for global warming?

---

---

Name: \_\_\_\_\_

Date: \_\_\_\_\_

**Activity 2**

[Poor Countries that Integrated with Global Economy are Growing Fastest.](#)

6. How many people are represented by the “new globalizers?”

---

---

7. Name three countries in the globalizer list.

---

---

8. What is the rate of growth, in per capita GDP, for the new globalizers?

---

---

---

9. What is the rate of growth, in per capita GDP, for the less globalized countries?

---

---

---

Name: \_\_\_\_\_

Date: \_\_\_\_\_

**Activity 2**

[Number of Very Poor has Fallen Since 1980](#)

10. How is poverty being defined in Slide #8?

---

---

---

11. For, approximately, how many years did the number of poor people grow before we see a decline?

---

---

---

12. Over the past 20 years, poverty has dropped by how many million people?

---

---

---

13. What is the annual income of a person living on \$1 per day?

---

---

---

14. How many people are living in the non-globalized countries?

---

---

---

Name: \_\_\_\_\_

Date: \_\_\_\_\_

**Activity 2**

[Globalization: Agenda for Action](#)

15. Why is the real question not about whether globalization is good or bad?

---

---

16. Why is globalization alone, not enough to eliminate mass poverty?

---

---

17. How many points are included in the agenda for action?

---

---

18. Name points 1, 5, and 7.

---

---

19. You have just investigated many of the points about the value or benefits of globalization. Write one sentence that summarizes the main point of the World Bank report and you must utilize at least three out of the five following words: globalization, integration, poverty, growth, non-globalizers.

---

---

---

---

Name: \_\_\_\_\_

Date: \_\_\_\_\_

**Activity 3**

1. What are the three main areas of anxiety surrounding globalization?

---

---

2. What is the perfect model for success?

---

---

3. What evidence is given to support the statement that “culturally, as societies integrate, in many respects they become more diverse.”

---

---

---

4. How does globalization affect monopolies?

---

---

5. How does globalization affect the environment?

---

---

6. Who is responsible for global warming?

---

---

---
