

## **I Can Do Anything**

(To the tune of "Shortnin' Bread" or clapped to the rhythm of "Patty Cake")

I can do anything  
Anything at all  
I can be anybody  
When I'm nice and tall.

I could be a policeman  
That I can do!  
I could be a doctor  
Just let me through!

I could be a carrier  
I will bring your mail  
If you want to see a vet  
Just wag your tail!

I could be a movie star  
And stand upon a stage  
I can do it all, my dear  
I will be the rage!

A rock star and a teacher  
That's what I'll be!  
I'll stand up in front of you  
And be a different me.

I could be a lawyer  
I could be a judge  
I could be a candy cook  
And make you some fudge!

I can be 'bout anything  
Anything that's fun!  
But I can't be a singer  
Because my song is done!
